

WEEKLY UPDATE

January 21, 2021

Dear Residents and Families/Representatives,

Please accept this letter as our weekly update regarding the status of COVID-19 in our facility. During routine testing on January 18, 2021, we had one newly identified positive case of COVID-19 in our staff. We have had no other newly identified positive cases of COVID-19 identified in staff or residents.

We will continue to perform routine testing for identification of COVID-19 of staff twice weekly.

Unfortunately, Outdoor Visitation has to be suspended at this time until 14 days has passed since last identified positive case of COVID-19. If no other cases are identified, we will be able to resume visitation Tuesday February 2, 2021. We will keep families updated through this weekly update letter and calls.

As always, we are working hard to keep everyone in our community safe and we will continue to practice the enhanced safety precautions that are known to prevent the spread of COVID-19, such as only essential personnel are allowed inside the facility and we screen them for signs and symptoms of illness prior to entering. Our residents are continually monitored and staff is using PPE as recommended by the CDC. Staff is frequently reminded and encouraged to practice social distancing and to use hand sanitizer and frequently wash their hands when they are in the facility and out in the community. We ask them not to report to work if they have symptoms of illness.

Please continue to check our website for weekly updates as well as notification of new cases. As always, we will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

If you have any questions or concerns please contact us directly at 864-288-1415

Sincerely,
